

"Per essere menzionato ed eventualmente ammesso alla *Hall*, devono essere passati almeno venticinque anni dall'uscita in commercio del primo disco dell'artista posto in *nomination*

. Coloro che vengono nominati devono aver dato un'influenza significativa nella storia della musica rock and roll. Come succede spesso in questi genere di riconoscimenti, vi sono molte polemiche per quanto riguarda il processo di scelta di nominati ed esclusi."

Ecco a voi la lista aggiornata al 2007!

1987
